

# Geisinger

Emergency  
Medical Services

Geisinger Emergency Medical Services will be hosting an **Emergency Medical Technician Course** by Harrisburg Area Community College on Geisinger Main Campus in Danville, PA, August 22 – December 16, 2019, Monday's and Thursday's 6:00 p.m. to 10:00 p.m. and Saturday's 8:00 a.m. to 4:30 p.m.

The EMT course is 220 hours of instruction that covers the following in accordance with the National EMS Education Standards:

- Anatomy and physiology
- Assessment of injuries and illnesses (Medical and Trauma)
- Cardiopulmonary resuscitation (CPR) & Automated External Defibrillation (AED)
- Pediatric and geriatric emergencies
- Environmental emergencies
- Lifting, moving and transportation of patients
- Assisting patients with their own prescribed medications
- The overall roles and responsibilities of the EMT

The EMT programs, both in-classroom and blended require mandatory co-requisite courses listed below. The due dates for these courses are determined by your specific course syllabus and are to be completed in order to be eligible for your NREMT certification exam. More information will be provided at the first class session.
