

NATIONAL TRAFFIC INCIDENT MANAGEMENT (TIM) RESPONDER TRAINING PROGRAM

U.S. Department of Transportation
Federal Highway Administration

Train-the-Trainer Course Announcement

The National TIM Responder Training Program was developed by responders for responders, and was designed to promote consistent training of all responders to achieve the three objectives of the TIM National Unified Goal (NUG):

- Responder Safety
- Safe, Quick Clearance
- Prompt, Reliable, Interoperable Communications

The Train-the-Trainer (TtT) course is intended to provide participants (i.e., trainers) the knowledge and materials necessary for them to conduct TIM training for responders in their area or state. The TtT is a 1-day course that covers 8 hours of material, including classroom training and hands-on activities.

Participant expectations:

- **Prior instructional and TIM experience**
- **Commitment to providing training to other TIM responders in your area**
- **Commitment to submitting your training records via the SharePoint site**

The target audience for this course is all TIM disciplines, including: Communications, Emergency Management, Emergency Medical Services (EMS), Fire/Rescue, Law Enforcement, Towing and Recovery, and Transportation/Public Works.
